USE 50% LESS ENERGY than traditional models

LOWER WATER, SEWER AND ENERGY COSTS associated with washing by 35-50%

SAVES YOU ABOUT \$1000 in reduced operating costs over the life of the machine as compared to traditional models

For an approved list of washers go to www.sbwater.org.

Please be aware that you may be eligible for additional rebate dollars for High Efficiency Washers from Southern California Gas Company. Call **1-800-GAS-2000** for more information.

IT'S EASY TO GET YOUR REBATE!

Log on to www.sbwater.org for a list of eligible washer models, or for recommended toilet models. Only commercial accounts are eligible for rebates, unless installation is a clothes washer in a common area on a multi-family residential account. Business must be in Santa Barbara County. Installations must be retrofits. Toilets must be replacing old models flushing at higher than 1.6 gallons per flush.

SIMPLY FOLLOW THE STEPS BELOW

- CALL 1-800-215-7559**
A telephone representative will verify that funds are still available. Rebates are subject to available funds. A telephone representative will aid in verifying your eligibility, including product make and model numbers, prior to your purchase.
